Do you know who Queen Elizabeth is? Do you know how she lost her hat?

Come with us as we travel to London to visit Queen Elizabeth and help her find her hat!

We are going to explore amazing landmarks, learn about Queen Elizabeth and create beautiful London artwork!

As writers, we will:

- Develop our understanding of fiction texts as we explore 'The Queen's Hat'.
- Use various writing techniques, such as, onomatopoeia, similes and adverbs in our writing.
- Include interesting vocabulary within our writing.
- Evaluate our own work, enabling us to make the needed edits to improve.

As readers, we will:

- Segment and blend sounds together to be able to read words.
- Be introduced to a range of non-fiction texts.
- Answer simple comprehension questions by deducting and inferring information from a text.

As mathematicians, we will:

- Be introduced to multiplication and division..
- Build fluency by completing questions using mental strategies.
- Find halves and quarters of an object and number.
- Describe positions using specific vocabulary.
- Recognise various coins and notes.
- Count using coins.

As scientists we will :

- Learn how to conduct a fair experiment.
- Write-up our experiments.
- Explain our findings from our experiments.

In computing we will:

- Explore ways of staying safe whilst using our device.
- Learn how to use code to make objects move.
- Solve problems using code.
- Learn how to use animation tools.

As historians we will: .

- Retell key events from the past e.g. The Great Fire of London.

As designers we will:

- Learn about famous artist Andy Warhol and recreate his famous 'pop art' of Queen Elizabeth.
- Design and create famous London landmarks using various materials.
- Use various artistic techniques (drawing, watercolours) to create skyline art work.
